**(Caledonia, ON)** – On Wednesday May 23<sup>rd</sup>, 2007 several First Nations members attended a new seniors housing development on Main St., Hagersville, Haldimand County.

At approximately 7:00 am First Nations members met with the general contractor at a proposed housing development where the contractor and the First Nations members came to an agreement to discontinue work on the site and remove equipment and staff. The First Nations members have also left the site.

The OPP's role on scene was to keep the peace and ensure public safety.

The OPP will continue to monitor the situation in Hagersville and maintain presence.

The OPP are hopeful the situation will be resolved quickly and peacefully and that community members remain patient and peaceful to allow stakeholders to come to a successful agreement.
