

IPPERWASH THEN AND NOW

One Year Ago Today

1) Attack on Seniors, Camera crew, attack on OPP & US border guards with the attempted murder of one OPP officer

We heard the repeated statement that Negotiations were going so well.

McGuinty & OPP lawyers work against Judge Marshall.

Be patient because McGuinty was going to solve everything.

Everything would be better because the Government bought DCE.

Repeated statements that the Occupiers were not allowed to stay the winter.

This is a local issue to be handled by local people.

Councilor Grice was going to do.... ???

Where is Councilor Grice since Fantino's Email threatened him?

The Residents of Caledonia trusted:

1. Believed the Ontario Government would help them
2. Believed the Federal Government would help them
3. Believed the O.P.P. would protect them
4. Believed that Negotiations just needed more time
5. Believed that Media would tell their story
6. Believed the Compensation Package would help

1. Then they woke up
2. Found that Negotiations were going no where
3. Governments at all levels had lied to them
4. Occupations had spread to Hagersville, Dunnville, York etc.
5. Media no longer cared about Caledonia

June 29th – National Day of Protest

- Block Railway lines across Canada
- Block Highways across Canada
- Demand Money then more Money (\$5 Billion)
- “There is only two ways to deal with the white man. One is to take up a gun and the other is to stand between him and his money”
- “Not until every home has suffered, as we have suffered, will I stop”
- But “Outsiders” shouldn’t get involved

Why has Shawn Brant not been arrested
for terrorism?

Quite simply because...
