

## **Protest at Fantino's Home**

Feb. 26, 2008

Since Mr. Fantino has repeatedly refused to meet with residents of Caledonia, the residents have decided to go to Fantino to bring their message to him.

It is time for the OPP to restore policing on 6<sup>th</sup> line and restore Law and Order in Caledonia.

Protest time at Fantino's Home is at noon this Sunday, March 2.

Meet at the Lion's Hall at 10 am to car pool to Fantino's home in Woodbridge, a mere 15 minutes from McHale's home.

This is your time to send a message directly to Fantino that you will no longer put up with Two Tier Justice.

We will be raising Canadian Flags on hydro poles along with signs calling upon Fantino to obey the Charter of Rights by ending Two Tier Justice.
