**CALEDONIA LAND DISPUTE**

(Caledonia, ON) On behalf of Council, Mayor Marie Trainer stresses that Haldimand County does not welcome anyone into our community who has the intention of breaking the law, getting arrested or inciting violence. These types of behaviours jeopardize officer and public safety for the sake of a wilful and purposeless arrest.

The people of Haldimand County have a history of living in harmony and co-operation. Mayor Trainer encourages everyone to continue this tradition of peace to ensure it is maintained.

Authorized by Mayor Marie Trainer
