O.P.P. Police Line = Public Safety Breaching It Isn't An Option

Caledonia ON – O.P.P. are proactively warning anyone planning on protesting in Caledonia tomorrow that attempting to go around or through the Police Line could face criminal charges of obstructing police. Persons attempting to cross or crossing that police line could be arrested, charged, fingerprinted and photographed.

“Officers continue to bravely police the community and will continue to preserve the peace that exists in Caledonia. It deeply disturbs me that persons with self-centered agendas are willing to come into this community and undermine our efforts. The OPP and other legitimate stakeholders do not want “mischief makers” in Caledonia – persons with their own agendas bring an added element of risk and will be held accountable for their actions” said Fantino.

The O.P.P. remains committed to ensuring that the fragile peace currently established in Caledonia remains this weekend and the days to come and encourages everyone to stay clear of rallies or demonstrations propagated by persons with self-centered agendas.
